SA GOLF INJURY CLINIC

SPORTS PODIATRIST NOW AVAILABLE!

We thank you for your ongoing support and are delighted to be able to offer you an increasing range of health services in golf at Grange.

'Treatment for Golfers by Golfers'

Introducing: Adam Wiles to the SA Golf Injury Clinic.

Adam Wiles is a podiatrist who specialises in golf injuries of the lower leg and foot. He has an interest in the biomechanics of the lower limb and uses the latest technology to assess your feet and fit golf shoes.

Adam is a keen golfer and therefore is well aware of the demands of the game on the body. By performing a thorough assessment he can devise a treatment plan for any lower limb problem and assist you with fitting of a golf shoe. Adam is also the only podiatrist in South Australia who uses the Foot alignment System to make orthotics for golf shoes. This is a weightbearing system that is used to create custom made soft and semi-rigid orthotics.

Adam will be consulting at the Grange Golf club Pro Shop on Tuesday mornings from 8-12pm.

Adam is also available at Podiatry First Sports on Pirie st in the city.

Ph 82322268 for all Podiatry appointments at Grange and Pirie st, Adelaide.

www.podiatryfirst.com.au

We now also have HICAPS for your convenience at Grange so all your podiatry services can be claimed directly from your health fund on the spot! Please bring your health fund card to your appointment.
